

PRAISE COMING ON

(Odell Talley)

Hey everybody! There's nobody like the Lord
He gave me victory,
Joy, He's my everything
Ouh Yes He is, ouh Yes He is!

God's been good, so good
I gotta to give Him praise

Hey everybody! There's nobody like the Lord
Through all my trials, tribulations
I won't complain
Oh no I won't, oh no I won't

God's been good, so good
I gotta to give Him praise

I feel a praise coming on
I feel a praise coming on
I feel a praise coming on
I feel a praise coming on

Hallelujah
Glory to Him
He's worthy to be praised X2

I love Him
No one above Him
He's worthy to be praised X2

He's worthy to be praised X4

He saved me
He raised me
He kept me
Never left me
He filled me x2
He's worthy to be praised

Yeah! Yeah!

Yeah! Yeah! Yeah! Yeah!

He's worthy to be praised, Yeah!
