

NO MORE TROUBLE IN HEAVEN

(Fred Lewin)

**No more trouble in heaven
No more trouble in heaven
No more trouble in heaven
I'm going to meet the King !**

Verse :

I know it won't be no more suffering
There won't be no more pain & fearing
Ain't gonna worry 'bout a thing
I'm going to meet the King !
He didn't say life would be easy
I read He said it would be worth it
Gotta keep my focused on the goal
I'm going to meet the King !

Hold on my sister, hold on my brother !

**Hope is here, Hope is now
Get ready to move and, Touch it right now**

Some say it's out of our reach
Others don't mean what they teach
But because of you , right now I know

**Life is here, Life is now
Get ready to move and
Get up and live right now**

**Joy is here, Joy is now
Get ready to move and
Get up and live right now**

**Right now ! Right now ! Right now ! Right now !
Get up ! Get up ! Get up ! Right now
Right now ! Right now ! Right now ! Right now !
Live ! Live ! Live ! Right now
Right now ! Right now ! Right now ! Right now !**
