

**LIFEXPERIENCED**

(Fred Lewin)

Verse 1:

I've got to face reality, The world and all its brutality  
The words I can not say, So many gone astray  
No matter what I done before, The Lord is able to restore  
(Now) I may behold His face, And experience Grace !

Chorus 1 :

**It's all about Grace, it's all about grace  
I'm broken but I'm healed, lifted when I fall  
I may stumble on the way He has never gave up on me yet  
It's all about Grace, it's all about grace**

Verse 2 :

Good & bad on every side, I'm -a look up when I'm trialed  
Hold on tight and I, Won't give up as I try  
Don't know what tomorrow will bring, But I truly know 1 thing  
God is standing there every step of the way

Chorus 2 :

**It's all about faith, It's all about faith  
Praise Him when I'm glad, Seek Him when I'm sad  
Trust Him when times are hard, I need to thank Him all the time  
It's all about faith, it's all about faith**

Verse 3 :

I love you Lord You heard my cry, You always been on my side  
I wish that I could be As true as you're to me  
I had to cry before I'd take myself off the floor  
Now that I'm changed you see I can love my enemies

Chorus 3 :

**It's all about love, it's all about love  
That power that I have, That joy that I feel inside  
That peace that I can't explain, That balm that surely ease(s) my pain  
It's all about love, it's all about Lo – ove !**
